FORT WILLIAM,
LEGISLATIVE DEPARTMENT,
THE 2D SEPTEMBER, 1842.

The following Act is passed by the Hon'ble the President of the Council of India in Council, on the 2d of September 1842, with the assent of the Right Hon'ble the Governor General of India, which has been read and recorded.

Ordered, that the Act be promulgated for general information.

Act No. IX. of 1842.

An Act for extending the Statute Ch. XXI. 4th and 5th of Queen Victoria in certain cases to the Territories of the East India Company.

I. It is hereby enacted, that the Statute Ch. XXI. of the 4th and 5th years of the reign of Queen Victoria, entitled "An Act for rendering a Release as effectual for the conveyance of Freehold Estates as a Lease and Release by the same parties," shall be extended to the territories of the East India Company from the 1st day of October next; provided always that this Act shall not be construed to affect any case which would not have been governed by the Law of England before the passing of the aforesaid Statute, if this Act had not passed; and provided, that every deed or instrument of Release taking effect under this Act shall be expressed to be made in pursuance thereof, and it shall not be necessary that it be expressed to be made in pursuance of the Statute aforesaid.

An Act for rendering a Release as effectual for the conveyance of Freehold Estates as a Lease and Release by the same Parties.

[18TH MAY, 1841.]

"Whereas it is expedient to lessen the expense of conveying Freehold Estates: Be it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, That every Deed or Instrument of Release of a Freehold Estate, or Deed or Instrument purporting or intended to be a Deed or Instrument of Release of a Freehold Estate, which shall be executed on or after the 15th day of May 1841, [and shall be expressed to be made in pursuance of this Act,] shall be as effectual for the purposes therein expressed, and shall take effect as a conveyance to uses or otherwise, and shall operate in all respects both at Law and Equity as if the releasing party or parties who shall have executed the same had also executed in due form a Deed or Instrument of Bargain and Sale or Lease for a year for giving effect to such Release, although no such Deed or Instrument of Bargain and Sale or Lease for a year shall be executed, provided that every such Deed or Instrument so taking effect under this Act shall be chargeable with the same amount of Stamp Duty as any Bargain and Sale or Lease for a year would have been chargeable with (except progressive Duty) if executed to give effect to such Deed or Instrument, in addition to the Stamp Duties which such Deed or Instrument shall

be chargeable with as a Release or otherwise under any Act or Acts relating to Stamp Duties.

II. "And whereas many Deeds or Instruments of Bargain and Sale or Leases for a year, to give effect to Deeds or Instruments of Release of Freehold Estates heretofore executed, have been lost or mislaid; be it enacted, That where, in or by any Deed or Instrument of Release of Freehold Estates executed before the 15th day of May 1841, any Deed or Instrument of Bargain and Sale or Lease for a year for giving effect to such Deed or Instrument of Release shall be recited, or by any mention thereof in such Deed or Instrument of Release appear to have been made or executed, such recital or mention thereof shall be deemed and taken to be conclusive Evidence of the Deed or Instrument of Bargain and Sale or Lease for a year so recited or mentioned having been made and executed; and such Deed or Instrument of Release shall also have the like effect as if the same had been executed after the 15th day of May 1841, whether such Deed or Instrument of Bargain and Sale or Lease for a year shall or shall not have been lost or mislaid, or may or may not be produced: Provided always, that this Act shall not prejudice or affect any proceedings at Law or in Equity pending at the time of the passing of this Act, in which the validity of any Bargain and Sale or Lease for a year shall be in question between the party claiming under such Bargain and Sale or Lease for a year and the party claiming adversely thereto, and such Bargain and Sale or Lease for a year if the result of such proceedings shall invalidate the same, shall not be rendered valid by this Act.

III. And be it enacted, that in the construction of this Act the word "Freehold" shall have not only its usual signification, but shall extend to all Lands and Hereditaments for the conveyance of which, if this Act had not been passed, a Bargain and Sale or Lease for a year, as well as a Release, would have been used.

SIR,—I have the honor to report for the information of the Right Hon'ble the Governor General in Council that the British force at Candahar having evacuated that City on the 7th and 8th, I moved from my encampment near its walls on the 10th, pursuant to instructions, with the detachment mentioned in the margin, en route to Quetta, and that I arrived on this ground yesterday.

2. It was communicated to me on the 9th and subsequently, that the Insurgents were preparing to attack the Column and Convoy under my charge in its passage, and especially that they

would make efforts to intercept it in the strong country of the Kojuck Range, at the Northern extremity of which I arrived with little molestation on the morning of the 16th.

3. Whatever might have been the intentions of the Enemy, it was ascertained by reconnoitring that the highest points of the mountain were not yet occupied by them, and I thought it right therefore, notwithstanding that the troops had just completed a night march of 24 miles, to push forward a light column to seize the summit at once.

4. This operation was perfected by three Battalions, and the most important ridge and all the peaks commanding the principal passes were gained by the troops before dark.

5. On the following morning the Insurgents began to appear in small bodies on different hills, but the route being flanked, they did little mischief, and the Baggage, Artillery and immense retinue under the protection of this Camp, including nine or ten thousand beasts of burthen, began the ascent covered by a rear Guard of two Battalions and the Cavalry, and I was soon made aware of our good fortune in having seized the heights on the previous evening, for the number of the Enemy gradually increased, but all their efforts to capture the Baggage, or indeed to interrupt us to any serious extent were frustrated, and the passage across the Kojuck mountains may be said to have been perfected by noon on the 18th.

6. I have had the highest reason to be gratified with the exertions of all the Officers and Troops on this occasion, and it is entirely owing to their incessant efforts in duties of great fatigue, under a privation of water, both in climbing up the extreme points of the range to drive off the Enemy whenever they appeared and in dragging thirteen pieces of Artillery over the ridge, that this service has been accomplished with so little loss on our side of life or of Convey.

7. I beg to enclose a list of the Casualties in killed and wounded of this Column, which have occurred since I left the immediate vicinity of Candahar.

8. My last accounts of Major General Nott were of the 13th, three marches North of Candahar.

9. His Highness Prince Timoor and his family are in my Camp, and every possible attention is paid to his comfort and safety.

10. The Right Hon'ble the Governor General will have been informed that the Chief Saloo Khan, who had taken service with us after the affair with the Enemy of the 28th April near Hykuljee, suddenly absconded from the Military Post held by us at this place on hearing of our abandonment of Candahar, and it was presumed therefore that he was at the head of the Insurgents in the Kojuck Hills—but I am not inclined to believe that he was thus employed, and I think it more probable that he may have proceeded to join Prince Sufur Jung who had placed himself at the head of affairs at Candahar.

11. I have no information to warrant the expectation of any serious opposition between this and Quetta, especially as the Brahoe connection with the Affghans seems severed for the present, and I hope to be enabled to report my arrival at Quetta to His Lordship on the 27th or 28th instant.

12. Pursuant to the instructions of Government of the 19th March, I have assumed the Political responsibilities as well as Military Command vacated by the Casualty therein contemplated in the departure from these countries of Major General Nott.

SIR,—I have the honor to report for the information of His Excellency the Commander in Chief, that I reached Gundamuck on the morning of the 23d instant, with the troops as per margin.

On approaching the ground a few horsemen appeared but retired as we advanced. I soon learnt that the enemy under the Chiefs Hadji Ali and Khyroollah Khan occupied the Village and Fort of Mammoo Khail, about two miles from Gundamuck, and I determined upon attacking them the following morning.

I ordered up a Squadron of the 3d Dragoons and Captain Broadfoot's Corps of Sappers from General Sale's Camp, and they joined before daylight the following morning.

No. 6 Light Field Battery.
5 Companies Sappers and Miners.
Her Majesty's 9th Foot.
26th Native Infantry.
60th Native Infantry.
Broadfoot's Sappers.

At 4 A. M. yesterday morning I moved towards the enemy with the Troops as per margin: on clearing the broken ground in front, I divided the Infantry into two columns with a Wing of H. M. 9th Foot at the head of each, and Skirmishers in front. I directed Captain Broadfoot with his Corps to go to the right. The Cavalry also advanced on the right to cut off the retreat of the enemy.

Captain Abbott's Battery accompanied the Columns, and as we advanced occasionally opened on the enemy who continued in position so long, we hoped they would oppose us with their whole force, but they retired on our approach and we entered the village.

The fields in front of the village were purposely flooded to prevent our advance. The left Column then went towards the Fort of Mammoo Khail and the right Column proceeded to Koochee Khail; the ground was impracticable for Cavalry nearly the whole distance, but on one or two occasions an opportunity did offer, and the enemy suffered accordingly. Lieutenant Colonel Taylor, with some Companies of the 9th Foot and 26th Native Infantry, occupied part of the heights in front of the village of Koochee Khail, while Captain Broadfoot and some of the 26th N. I. cleared the hills to the left of Lieutenant Colonel Taylor's position. As Koochee Khail is about two miles from Mammoo

Khail, and as a position there might have been attended with risk unless very strongly supported, I directed Major General McCaskill to retire on Mammoo Khail. As I considered it of importance to hold Mammoo Khail, which was the enemy's position, I wrote for the whole Camp to be brought here, and it arrived in safety yesterday afternoon.

I left the Camp standing and selected Major Davis, of H. M. 9th Foot, to command the party as per margin, for its protection; the duty was one of considerable importance as it was by no means improbable that the enemy would take advantage of our advance to send a party to the Camp. The Squadron of Dragoons having arrived just as I was starting their horses would not have been equal to a day's hard work which induced me to leave them in camp. The overthrow of this party of the enemy must, I conclude, have been very unexpected, as the whole of their Camp Equipage with its Carriage Cattle, was captured by Captain Broadfoot's Corps and the 3d Irregular Cavalry.

I have much gratification in reporting that the troops, both European and Native, of each branch and department, well supported the character of British Soldiers.

Where all unequally zealous in the cause and devoted to their duty my thanks are equally due to all, but I may be permitted to mention the names of Corps and Departments employed—Major General McCaskill, K. H., Commanding the right Column—Brigadier Tulloch, Commanding the left Column—Captain Abbott, Commanding Light Field Battery—Lieutenant Colonel Taylor, K. H., Commanding H. M. 9th Foot—Major Huish, Commanding 26th N. I.—Captain Napleton, Commanding 60th N. I.—Major Blair, Commanding 10th Light Cavalry—Captain Oldfield, Commanding Squadron of the 5th Light Cavalry—Captain Tait, Commanding 3d Irregular Cavalry—Captain Abbott, Field Engineer—Lieutenant Becher, Commanding Sappers and Miners, and Superintendent Surgeon Stiven, and Captain Nugent, Officiating Sub-Assistant Commissary General. The Officers of the Staff who conveyed my orders to the different Columns and otherwise aided in the movements of the day were Captain Havelock, Depy. Asst. Adjt. General—Captain Smith, Major of Brigade—Captain Ponsonby, Asst. Adjutant General—Captain MacAdam, Deputy Judge Advocate General—Captain Lane, Commissary of Ordnance—Lieut. Sir Richmond Shakespear, Mily. Secretary—Captain Codrington, Asst. Quarter Master General—Lieutenant Mayne, Offg. Deputy Asst. Quarter Master General, who was most active throughout the day—Lieut. Tytler, Baggage Master—Lieut. Pollock, A. D. C., and Captain Macgregor, A. D. C.—to the last mentioned Officer I am not only indebted for services in the field but for valuable information and for constant exertions to obtain supplies for the force, which his local knowledge and personal acquaintance with the Mullicks enables him to do.

I have this morning heard from several quarters that the two Chiefs Hadjee Ali and Khyroolah Khan have gone to Cabool, attended by about sixty men. If I had removed to Camp at Gundmuk yesterday, there can be little doubt that the enemy would have reoccupied this place, and he would have announced to the Cabool Authorities he had beaten us back. Koocele Khan has been destroyed by fire—the Fort and Village of Mammoo Khail have also been destroyed by fire, and before I quit this place the trees to which much value and importance are attached will be cut down.

I have the honor to enclose a Return of Casualties—I regret I shall be deprived of the services of Major Huish, 26th N. I., and Captain Edmunds, H. M. 9th Foot, for some time, though I hope not long. Lieutenant Robertson, of the 37th Regt. of Native Infantry, doing duty with the 26th N. I., is slightly wounded, and will I trust soon return to his duty.

I have the pleasure to enclose Reports from Major General McCaskill, K. H., and Captain Broadfoot.

Dated Camp Mammoo Khail, 25th August, 1842.

SIR,

I beg to detail to you for the information of Major General Pollock, C. B., the operations of the right Column in the affair of yesterday, after it had become separated from that of the left, on the complete success of the combined attack on the enemy's position in advance in Mammoo Khail.

You are aware that this force consisted of four Companies of H. M. 9th Foot and six of the 26th Regiment N. I., under the immediate Command of Lieut. Colonel Taylor, K. H., of the former Corps. The enemy had fled before our troops and abandoned the Village of Koocele Khan, but reinforced strongly by the fugitives driven back by Brigadier Tulloch's Column, he assumed a menacing attitude and occupied in force a range of heights and detached summits in the Soofuid Koh. The most salient of these was a spur of the mountain within long musket range of the buildings of Koocele Khail. From this and from other eminences of the most precipitous character the Ooloos were dislodged with the utmost spirit and gallantry by the details under Lieutenant Colonel Taylor, aided in the most effective manner by a part of Captain Broadfoot's Corps of Sappers and Miners. The enemy were reinforced from time to time, and made many bold attacks and kept up a sharp fire of Jezails from the loftiest peaks of the mountain, but our troops though so much pressed as to be compelled to recede from ground which they had gained in our direction, maintained an advanced position among the Hills until withdrawn by order of

Major General Pollock, first into the plateau in front of the Village of Koochee Khail which they burnt down and then back upon the present side of encampment. In retiring over the plain between the two principal Villages the movement was covered by a Squadron of the 5th and another of the 10th Light Cavalry, but the attempts of the Ooloos to annoy were timid and feeble in the extreme, and our troops did not sustain a single casualty from their effects. Lieutenant Colonel Taylor speaks in high terms of the support which he received from Major Huish, Commanding 26th Regiment N. I., who was wounded, and afterwards from Captain Handscomb of the same Corps, and from Captain Ogle, Commanding H. M. 9th Foot; and I beg to be permitted to bear my testimony to the merits of the Lt. Colonel's own exertions on this occasion as well as to express my sense of the gallantry of all the troops engaged, and to acknowledge the able assistance which I received from Captain Havelock, H. M. 13th Light Infantry, Depy. Asst. Adjutant General, Lt. Mayne, 37th Regiment N. I., Officiating Deputy Assistant Quarter Master General, and Lieutenant Bethune, H. M. 9th Foot, my A. D. C. The intrepidity also with which Captain Broadfoot's Sappers and Miners aided in the attack on one of the advanced heights, deserves my marked commendation.

TO CAPTAIN G. PONSONBY,

Dated Camp, Mama Kheil, 25th August, 1842.

SIR,

Agreeably to orders I have the honor to report the proceedings of the Column entrusted to me by the Major General Commanding in the action yesterday.

I moved as directed with the Sappers (about 220 men) and the 3d Irregular Cavalry (250) across the Ravine on the right of the Force. We found the enemy strongly posted in an orchard with some enclosures and the usual field works of loose stones in their front were also occupied. This position flanked the approach of the main body.

Having formed an attacking party in front I sent the rest of the Sappers in Column under Lieutenant Orr to turn the enemy's left flank and Captain Tait's Horse still more to the right and in advance to cut off their retreat. While we waited in this order the advance of the Force, the enemy reinforced the orchard and moved out to attack us, I was therefore obliged to advance before the Force arrived, the enemy's position were quickly carried in succession. One party was driven towards the 3d Irregular Cavalry who pursued, and the remainder fled to the Village of Mama Kheil into which the main body of the enemy were at this moment driven by the force of our Artillery, they opened a fire on us ill directed but so heavy that we were obliged to attack the Village, they fled when we reached it, and the Sappers pursued to the Fort, but were so exhausted by the march from Futteabad and the previous operations that the enemy was able to enter and barricade the gate—their fire was kept down by one party of the Sappers, while the rest climbed on each other's shoulders over a half repaired bastion about 8 feet high and covered with thorns, the enemy fled over the walls on the other side leaving the rear gate barricaded. This and descending from the walls lost so much time that pursuit was nearly hopeless as far as our now exhausted men were concerned, we pressed on with the least fatigue however, and keeping up to the hills forced the enemy into ground, our Cavalry were approaching, and we had the satisfaction of seeing the Cavalry overtake and attack them.

Parties were now directed to destroy the Forts abandoned on the Cavalry approaching, while with a few men I pushed on to the last Village near the hills, there we surprised the enemy whose Head Quarters were there, driving them out of the Village and adjoining Camp, and obtaining their Tents, Cattle and Ammunition and a good quantity of provisions. The enemy (who were evidently the Jezailehees from Cabool) fled to the hills, the fire of which swept the Village.

I was now directed to take a party of H. M.'s 9th Foot, the Sappers being now worn out, except about six men, and attack the hills: the first and second heights were carried at the point of the bayonet, and flanking parties having turned the shoulders of the high range we were advancing up it when the main force arrived, and our further progress was stayed. My separate command now ceased, and I was soon after ordered with Sappers to Head Quarters.

The conduct of the Troops, Officers and men, European and Native, was admirable, and it is due to the 26th N. I. to mention that in storming the second height with a party of H. M.'s 9th Foot, a party of the former Corps joined us and behaved with the same spirit as the rest.

An Act for rendering a Release as effectual for the conveyance of Freehold Estates as a Lease and Release by the same Parties.

[18TH MAY, 1841.]

"Whereas it is expedient to lessen the expense of conveying Freehold Estates: Be it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, That every Deed or Instrument of Release of a Freehold Estate, or Deed or Instrument purporting or intended to be a Deed or Instrument of Release of a Freehold Estate, which shall be executed on or after the 15th day of May 1841, [and shall be expressed to be made in pursuance of this Act,] shall be as effectual for the purposes therein expressed, and shall take effect as a conveyance to uses or otherwise, and shall operate in all respects both at Law and Equity as if the releasing party or parties who shall have executed the same had also executed in due form a Deed or Instrument of Bargain and Sale or Lease for a year for giving effect to such Release, although no such Deed or Instrument of Bargain and Sale or Lease for a year shall be executed, provided that every such Deed or Instrument so taking effect under this Act shall be chargeable with the same amount of Stamp Duty as any Bargain and Sale or Lease for a year would have been chargeable with (except progressive Duty) if executed to give effect to such Deed or Instrument, in addition to the Stamp Duties which such Deed or Instrument shall be chargeable with as a Release or otherwise under any Act or Acts relating to Stamp Duties.

II. "And whereas many Deeds or Instruments of Bargain and Sale or Leases for a year, to give effect to Deeds or Instruments of Release of Freehold Estates heretofore executed, have been lost or mislaid; be it enacted, That where, in or by any Deed or Instrument of Release of Freehold Estates executed before the 15th day of May 1841, any Deed or Instrument of Bargain and Sale or Lease for a year for giving effect to such Deed or Instrument of Release shall be recited, or by any mention thereof in such Deed or Instrument of Release appear to have been made or executed, such recital or mention thereof shall be deemed and taken to be

conclusive Evidence of the Deed or Instrument of Bargain and Sale or Lease for a year so recited or mentioned having been made and executed; and such Deed or Instrument of Release shall also have the like effect as if the same had been executed after the 15th day of May 1841, whether such Deed or Instrument of Bargain and Sale or Lease for a year shall or shall not have been lost or mislaid, or may or may not be produced: Provided always, that this Act shall not prejudice or affect any proceedings at Law or in Equity pending at the time of the passing of this Act, in which the validity of any Bargain and Sale or Lease for a year shall be in question between the party claiming under such Bargain and Sale or Lease for a year and the party claiming adversely thereto, and such Bargain and Sale or Lease for a year if the result of such proceedings shall invalidate the same, shall not be rendered valid by this Act.

III. And be it enacted, that in the construction of this Act the word "Freehold" shall have not only its usual signification, but shall extend to all Lands and Hereditaments for the conveyance of which, if this Act had not been passed, a Bargain and Sale or Lease for a year, as well as a Release, would have been used.

FORT WILLIAM, 16th September, 1842.

No. 237 of 1842.—Consequent on the destruction of Documents connected with the Pay Establishments of the Army of the Indus, and of His late Majesty Shah Soojah-ool Moolk's Troops in November 1841, the Hon'ble the President in Council, with the view of expediting the adjustment of the Accounts of the Force employed in Afghanistan at that period, is pleased to dispense with the production of last Pay Certificates and other Documents, ordinarily required to check the Pay and Allowances drawn for Corps and Detachments; as also of Committee Reports, and other Vouchers usually furnished in support of Bills, of a contingent nature.

As a check to the admission of claims unsupported by the requisite Vouchers, it is directed, that the Drawers furnish with the Bills and Abstracts embracing such charges, including replies to retrenchments, a Declaration on Honor, that to the best of their knowledge and belief, after a careful examination, the amount claimed is justly due; the Declaration to be countersigned by Commanding Officers of Corps and Heads of Departments, and the Offices of Pay and Audit are authorized to admit the charges on such Declarations, or to submit the same for the orders of Government in all cases when it shall clearly appear, that the production of the required Vouchers is impracticable, either in consequence of the destruction of Regimental Records, or those of the Pay Offices, with which the Drawers, or the charges involved, were connected for the time being.

ACT No. IV. OF 1842.

Passed by the Hon'ble the President of the Council of India in Council, on the 22d July, 1842, with the assent of the Right Hon'ble the Governor General of India.

For the better management of Boats and Catamarans in the Madras Roads and for the amendment of certain Harbour Regulations.

I. Whereas it is expedient to make Regulations for Boats and Catamarans employed in the Madras Roads, with a view to the better preservation of good order, the prevention of smuggling, and the general protection of life and property, and whereas certain Rules now in force for the Harbour of Madras require amendment,—

It is hereby enacted, that from and after the 1st day of September next, no person either as Owner or Servant shall use or employ, or be employed in, any Boat or Catamaran to carry Passengers, Goods or letters, to or from any Ship or Vessel lying in the Madras Roads and Shore, unless such Owners or Owner of Boats and Catamarans shall have previously received a License, and unless the Boat or Catamaran which such Owners or Owner, Servants or Servant shall so use, has been registered as hereinafter mentioned, and in case any person who has not received such License shall employ or be employed in a Boat or Catamaran for the purposes aforesaid, or such Boat or Catamaran shall not have been so registered, such person shall be liable to a fine not exceeding the sum of 50 Rupees on conviction before a Justice of the Peace, as that Justice shall direct, and the Boat or Catamaran shall be liable to be seized by the orders of any Justice of the Peace and forfeited.

II. And it is hereby enacted, that upon the Master Attendant being satisfied that any such Boat is of the proper dimensions and capacity, and that the same is seaworthy, and of a proper quality for the purposes aforesaid, and upon the application of the Owner of any such Boat or of any Catamaran, and upon such Owner delivering to him a written paper signed by such Owner specifying his name, occupation and place of residence, and the names and places of residence of all such Boatmen or other persons as shall be employed by such Owner in and about the navigation and management of such Boat as particularly as may be, and also subscribing to a declaration in writing that he fully understands all the provisions of this Act and those contained in the Subsidiary Rules to the same Act, it shall and may be lawful, and the said Master Attendant is hereby required to grant to such Owner a License so to use the same in which License (if of a Boat) shall be expressed the dimensions, the number of Passengers or the quantity of Goods which such Boat shall be permitted to take and carry, and every such License shall also contain a number for such Boat or Catamaran, and the name or names, occupation or occupations, and place or places of residence of the Owner or Owners thereof, and the number of the Servants or Crew who shall be used or employed to row or navigate the same, and their names and places of residence respectively, all of which particulars shall be entered in a Book or Registry for that purpose to be kept by the Master Attendant, and so often as the property in any such Boat or Catamaran, or any share of the same shall be transferred, every Owner of such Boat or Catamaran shall produce his License before the said Master Attendant, and such new Owner shall also deliver to him a written paper signed by such new Owner specifying his name, occupation and place of residence, and the names and places of residence of all such Boatmen or other persons as he shall employ, or propose to employ in and about the navigation and management of such Boat as particularly as may be, and shall also subscribe to a declaration in writing that he fully understands all the provisions of this Act, and those contained in the Subsidiary Rules to this

Act, all which said particulars shall be duly entered by the said Master Attendant in a new Registry to be made by him of such Boat or Catamaran, and thereupon a new License to use such Boat or Catamaran expressing and containing the same particulars as are hereinbefore provided to be expressed in the original License shall be granted by the said Master Attendant, and whenever any such Owner or Owners, or any of the Boatmen or other persons employed to manage or navigate any such Boat or Catamaran shall change his or their place of abode notice of such change of abode shall be delivered to the said Master Attendant by the said Owner, in order that such new place of abode may be entered in the Registry and License. In wilful neglect or default of which notice of change of Ownership or of the persons employed to row or navigate any such Boat, or of his or their or any or either of their change of residence, for the space of six days after any such change of residence, the Owner shall forfeit a sum not exceeding 50 Rupees on conviction before a Justice of the Peace, as that Justice shall direct, and for every such new Registration to be made by the said Master Attendant as aforesaid he shall be entitled to charge by way of fee the sum of one Rupee, and for every new License thereof the sum of one Rupee.

III. And it is hereby enacted, that in order to enable the said Master Attendant to grant a correct License of the Registry of every such Boat previous to the Registry of any Boat requiring such License, the said Master Attendant or his Deputy shall in the presence of the Owner of every such Boat or any other person duly appointed by such Owner, cause each such Boat to be surveyed and measured, and in case the same shall not in the judgment of the said Master Attendant or his Deputy be of the proper dimensions and capacity and seaworthy and of the proper quality for the purposes aforesaid, no Registry shall be made nor License be granted, until every such defect in the admeasurement, seaworthiness and quality of the said Boat shall have been rectified by the Owner thereof, and for every such survey and admeasurement a fee of three Rupees shall be paid by the Owner of any such Boat to the said Master Attendant.

IV. entitled "An Act for rendering a Release as effectual for the conveyance of Freehold Estates as a Lease and Release by the same parties," shall be extended to the territories of the East India Company from the 1st day of October next; provided always that this Act shall not be construed to affect any case which would not have been governed by the Law of England before the passing of the aforesaid Statute, if this Act had not passed and provided, that every deed or instrument of Release taking effect under this Act shall be expressed to be made in pursuance thereof, and it shall not be necessary that it be expressed to be made in pursuance of the Statute aforesaid.

An Act for rendering a Release as effectual for the conveyance of Freehold Estates as a Lease and Release by the same Parties.

[18TH MAY, 1841.]

"Whereas it is expedient to lessen the expense of conveying Freehold Estates: Be it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, That every Deed or Instrument of Release of a Freehold Estate, or Deed or Instrument purporting or intended to be a Deed or Instrument of Release of a Freehold Estate, which shall be executed on or after the 15th day of May 1841, [and shall be expressed to be made in pursuance of this Act,] shall be as effectual for the purposes therein expressed, and shall take effect as a conveyance to uses or otherwise, and shall operate in all respects both at Law and Equity as if the releasing party or parties who shall have executed the same had also executed in due form a Deed or Instrument of Bargain and Sale or Lease for a year for giving effect to such Release, although no such Deed or Instrument of Bargain and Sale or Lease for a year shall be executed, provided that every such Deed or Instrument so taking effect under this Act shall be chargeable with the same amount of Stamp Duty as any Bargain and Sale or Lease for a year would have been chargeable with (except progressive Duty) if executed to give effect to such Deed or Instrument, in addition to the Stamp Duties which such Deed or Instrument shall be chargeable with as a Release or otherwise under any Act or Acts relating to Stamp Duties.

II. "And whereas many Deeds or Instruments of Bargain and Sale or Leases for a year, to give effect to Deeds or Instruments of Release of Freehold Estates heretofore executed, have been lost or mislaid; be it enacted, That where, in or by any Deed or Instrument of Release of Freehold Estates executed before the 15th day of May 1841, any Deed or Instrument of Bargain and Sale or Lease for a year for giving effect to such Deed or Instrument of Release shall be recited, or by any mention thereof in such Deed or Instrument of Release appear to have been made or executed, such recital or mention thereof shall be deemed and taken to be conclusive Evidence of the Deed or Instrument of Bargain and Sale or Lease for a year so recited or mentioned having been made and executed; and such Deed or Instrument of Release shall also have the like effect as if the same had been executed after the 15th day of May 1841, whether such Deed or Instrument of Bargain and Sale or Lease for a year shall or shall not have been lost or mislaid, or may or may not be produced: Provided always, that this Act shall not prejudice or affect any proceedings at Law or in Equity pending at the time of the passing of this Act, in which the validity of any Bargain and Sale or Lease for a year shall be in question between the party claiming under such Bargain and Sale or Lease for a year and the party claiming adversely thereto, and such Bargain and Sale or Lease for a year if the result of such proceedings shall invalidate the same, shall not be rendered valid by this Act."

For the better management of Boats and Catamarans in the Madras Roads and for the amendment of certain Harbour Regulations.

I. Whereas it is expedient to make Regulations for Boats and Catamarans employed in the Madras Roads, with a view to the better preservation of good order, the prevention of smuggling, and the general protection of life and property, and whereas certain Rules now in force for the Harbour of Madras require amendment, —

It is hereby enacted, that from and after the 1st day of September next, no person either as Owner or Servant shall use or employ, or be employed in, any Boat or Catamaran to carry Passengers, Goods or letters, to or from any Ship or Vessel lying in the Madras Roads and Shore, unless such Owners or Owner of Boats and Catamarans shall have previously received a License, and unless the Boat or Catamaran which such Owners or Owner, Servants or Servant shall so use, has been registered as hereinafter mentioned, and in case any person who has not received such License shall employ or be employed in a Boat or Catamaran for the purposes aforesaid, or such Boat or Catamaran shall not have been so registered, such person shall be liable to a fine not exceeding the sum of 50 Rupees on conviction before a Justice of the Peace, as that Justice shall direct, and the Boat or Catamaran shall be liable to be seized by the orders of any Justice of the Peace and forfeited.

II. And it is hereby enacted, that upon the Master Attendant being satisfied that any such Boat is of the proper dimensions and capacity, and that the same is seaworthy, and of a proper quality, for the purposes aforesaid, and upon the application of the Owner of any such Boat or of any Catamaran, and upon such Owner delivering to him a written paper signed by such Owner specifying his name, occupation and place of residence, and the names and places of residence of all such Boatmen or other persons as shall be employed by such Owner in and about the navigation and management of such Boat as particularly as may be, and also subscribing to a declaration in writing that he fully understands all the provisions of this Act and those contained in the Subsidiary Rules to the same Act, it shall and may be lawful, and the said Master Attendant is hereby required to grant to such Owner a License so to use the same in which License (if of a Boat) shall be expressed the dimensions, the number of Passengers or the quantity of Goods which such Boat shall be permitted to take and carry, and every such License shall also contain a number for such Boat or Catamaran, and the name or names, occupation or occupations, and place or places of residence of the Owner or Owners thereof, and the number of the Servants or Crew who shall be used or employed to row or navigate the same, and their names and places of residence respectively, all of which particulars shall be entered in a Book or Registry for that purpose to be kept by the Master Attendant, and so often as the property in any such Boat or Catamaran, or any share of the same shall be transferred, every Owner of such Boat or Catamaran shall produce his License before the said Master Attendant, and such new Owner shall also deliver to him a written paper signed by such new Owner specifying his name, occupation and place of residence, and the names and places of residence of all such Boatmen or other persons as he shall employ, or propose to employ in and about the navigation and management of such Boat as particularly as may be, and shall also subscribe to a declaration in writing that he fully understands all the provisions of this Act and those contained in the Subsidiary Rules to this

Act, all which said particulars shall be duly entered by the said Master Attendant in a new Registry to be made by him of such Boat or Catamaran, and thereupon a new License to use such Boat or Catamaran expressing and containing the same particulars as are hereinbefore provided to be expressed in the original License shall be granted by the said Master Attendant, and whenever any such Owner or Owners, or any of the Boatmen or other persons employed to manage or navigate any such Boat or Catamaran shall change his or their place of abode notice of such change of abode shall be delivered to the said Master Attendant by the said Owner, in order that such new place of abode may be entered in the Registry and License. In wilful neglect or default of which notice of change of Ownership or of the persons employed to row or navigate any such Boat, or of his or their or any or either of their change of residence, for the space of six days after any such change of residence, the Owner shall forfeit a sum not exceeding 50 Rupees on conviction before a Justice of the Peace, as that Justice shall direct, and for every such new Registration to be made by the said Master Attendant as aforesaid he shall be entitled to charge by way of fee the sum of one Rupee, and for every new License thereof the sum of one Rupee.

III. And it is hereby enacted, that in order to enable the said Master Attendant to grant a correct License of the Registry of every such Boat previous to the Registry of any Boat requiring such License, the said Master Attendant or his Deputy shall in the presence of the Owner of every such Boat or any other person duly appointed by such Owner, cause each such Boat to be surveyed and measured, and in case the same shall not in the judgment of the said Master Attendant or his Deputy be of the proper dimensions and capacity and seaworthy and of the proper quality for the purposes aforesaid, no Registry shall be made nor License be granted, until every such defect in the admeasurement, seaworthiness and quality of the said Boat shall have been rectified by the Owner thereof, and for every such survey and admeasurement a fee of three Rupees shall be paid by the Owner of any such Boat to the said Master Attendant.

IV. And it is hereby enacted, that the said Owner or Owners of every such Boat shall forthwith paint in black English figures, not less than six inches in length upon a white ground, such white ground having a margin of at least three inches beyond the outermost part of the figures, on a conspicuous part of the bow on one side and of the quarter on the other, and in a legible and distinct manner from left to right, the number in such Registry and License mentioned, and if any person shall fraudulently paint or counterfeit or cause or permit to be painted or counterfeited upon any Boat, any figure not having been duly registered, every such person shall forfeit the sum of 100 Rupees, and every such Boat shall also be forfeited.

ACT No. IV. OF 1842.

Passed by the Hon'ble the President of the Council of India in Council, on the 22d July, 1842, with the assent of the Right Hon'ble the Governor General of India.

For the better management of Boats and Catamarans in the Madras Roads and for the amendment of certain Harbour Regulations.

I. Whereas it is expedient to make Regulations for Boats and Catamarans employed in the Madras Roads, with a view to the better preservation of good order, the prevention of smuggling, and the general protection of life and property, and whereas certain Rules now in force for the Harbour of Madras require amendment,—

It is hereby enacted, that from and after the 1st day of September next, no person either as Owner or Servant shall use or employ, or be employed in, any Boat or Catamaran to carry Passengers, Goods or letters, to or from any Ship or Vessel lying in the Madras Roads and Shore, unless such Owners or Owner of Boats and Catamarans shall have previously received a License, and unless the Boat or Catamaran which such Owners or Owner, Servants or Servant shall so use, has been registered as hereinafter mentioned, and in case any person who has not received such License shall employ or be employed in a Boat or Catamaran for the purposes aforesaid, or such Boat or Catamaran shall not have been so registered, such person shall be liable to a fine not exceeding the sum of 50 Rupees on conviction before a Justice of the Peace, as that Justice shall direct, and the Boat or Catamaran shall be liable to be seized by the orders of any Justice of the Peace and forfeited.

II. And it is hereby enacted, that upon the Master Attendant being satisfied that any such Boat is of the proper dimensions and capacity, and that the same is seaworthy, and of a proper quality for the purposes aforesaid, and upon the application of the Owner of any such Boat or of any Catamaran, and upon such Owner delivering to him a written paper signed by such Owner specifying his name, occupation and place of residence, and the names and places of residence of all such Boatmen or other persons as shall be employed by such Owner in and about the navigation and management of such Boat as particularly as may be, and also subscribing to a declaration in writing that he fully understands all the provisions of this Act and those contained in the Subsidiary Rules to the same Act, it shall and may be lawful, and the said Master Attendant is hereby required to grant to such Owner a License so to use the same in which License (if of a Boat) shall be expressed the dimensions, the number of Passengers or the quantity of Goods which such Boat shall be permitted to take and carry, and every such License shall also contain a number for such Boat or Catamaran, and the name or names, occupation or occupations, and place or places of residence of the Owner or Owners thereof, and the number of the Servants or Crew who shall be used or employed to row or navigate the same, and their names and places of residence respectively, all of which particulars shall be entered in a Book or Registry for that purpose to be kept by the Master Attendant, and so often as the property in any such Boat or Catamaran, or any share of the same shall be transferred, every Owner of such Boat or Catamaran shall produce his License before the said Master Attendant, and such new Owner shall also deliver to him a written paper signed by such new Owner specifying his name, occupation and place of residence, and the names and places of residence of all such Boatmen or other persons as he shall employ, or propose to employ in and about the navigation and management of such Boat as particularly as may be, and shall also subscribe to a declaration in writing that he fully understands all the provisions of this Act, and those contained in the Subsidiary Rules to this

Act, all which said particulars shall be duly entered by the said Master Attendant in a new Registry to be made by him of such Boat or Catamaran, and thereupon a new License to use such Boat or Catamaran expressing and containing the same particulars as are hereinbefore provided to be expressed in the original License shall be granted by the said Master Attendant, and whenever any such Owner or Owners, or any of the Boatmen or other persons employed to manage or navigate any such Boat or Catamaran shall change his or their place of abode notice of such change of abode shall be delivered to the said Master Attendant by the said Owner, in order that such new place of abode may be entered in the Registry and License. In wilful neglect or default of which notice of change of Ownership or of the persons employed to row or navigate any such Boat, or of his or their or any or either of their change of residence, for the space of six days after any such change of residence, the Owner shall forfeit a sum not exceeding 50 Rupees on conviction before a Justice of the Peace, as that Justice shall direct, and for every such new Registration to be made by the said Master Attendant as aforesaid he shall be entitled to charge by way of fee the sum of one Rupee, and for every new License thereof the sum of one Rupee.

III. And it is hereby enacted, that in order to enable the said Master Attendant to grant a correct License of the Registry of every such Boat previous to the Registry of any Boat requiring such License, the said Master Attendant or his Deputy shall in the presence of the Owner of every such Boat or any other person duly appointed by such Owner, cause each such Boat to be surveyed and measured, and in case the same shall not in the judgment of the said Master Attendant or his Deputy be of the proper dimensions and capacity and seaworthy and of the proper quality for the purposes aforesaid, no Registry shall be made nor License be granted, until every such defect in the admeasurement, seaworthiness and quality of the said Boat shall have been rectified by the Owner thereof, and for every such survey and admeasurement a fee of three Rupees shall be paid by the Owner of any such Boat to the said Master Attendant.

IV. And it is hereby enacted, that the said Owner or Owners of every such Boat shall forthwith paint in black English figures, not less than six inches in length upon a white ground, such white ground having a margin of at least three inches beyond the outermost part of the figures, on a conspicuous part of the bow on one side and of the quarter on the other, and in a legible and distinct manner from left to right, the number in such Registry and License mentioned, and if any person shall fraudulently paint or counterfeit or cause or permit to be painted or counterfeited upon any Boat, any figure not having been duly registered, every such person shall forfeit the sum of 100 Rupees, and every such Boat shall also be forfeited.

V. And for the better prevention of fraud or omission in the painting, the figures hereinbefore provided to be painted on all Boats, let out for hire as well as for the better distinguishing and identifying such Boats and Catamarans as have been registered and licensed, it is hereby enacted, that so often as any Registry is made, the said Master Attendant shall cause the number in the same to be cut or branded in the most common native characters, in some part or parts of every such Boat and Catamaran, and if the Owner or Owners of any such Boat shall neglect or refuse to keep painted, cut or branded any figure hereinbefore required to be painted, cut or branded, on any such Boat or Catamaran, in a fair and legible condition, or if he shall paint, cut or brand the same in a different manner or on a different part of such Boat than is hereinbefore provided, or shall wilfully erase, obliterate or in any way hide or conceal the same, or if the Owner of any such Boat or Catamaran shall knowingly permit any such act to be done, he shall forfeit a sum not exceeding 100 Rupees on conviction before a Justice of the Peace as that Justice shall direct, and if any person not being such Owner shall be guilty of or shall assist in any such incorrect painting, cutting, branding, erasure or concealment, he shall forfeit one moiety of the penalty in this Article imposed.

VI. And it is hereby enacted, that every Boat of the description and dimensions now in use (that is to say) not more than thirty-three feet in length, nine feet in breadth, and four feet four inches in depth, nor less than thirty feet in length, six feet in breadth and three feet six inches in depth, which shall be so Licensed and Registered as aforesaid, shall be manned with not less than two Steers-men, eight Rowers and one Baler, and shall if required be obliged to carry at one time any number of Passengers not exceeding fifteen, or any quantities of goods not exceeding the quantity mentioned in the Schedule A. hereunder written; and in case Boats of different construction and dimensions shall be Licensed and Registered they shall be manned in such manner and shall be obliged to carry such Passengers or such a quantity of Goods as the Master Attendant shall direct, and shall express in the License under the penalty of 50 Rupees.

VII. And it is hereby enacted, that if any Boat be loaded with Passengers or Cargo beyond the number or quantity specified in the License granted to such Boat the Tindal of such Boat shall be liable to a fine not exceeding 5 Rupees on conviction before a Justice of the Peace for every such surplus Passenger and for every Candy weight of such Cargo beyond such specified quantity, and the Owner of such Boat shall be liable to a fine of 50 Rupees on conviction before a Justice of the Peace, for every such surplus Passenger or surplus Candy weight of Cargo. And every person other than the Tindal or Owner who shall be guilty either as principal or accessory of the like offence of overloading any Boat shall be liable to a fine of 10 Rupees on conviction before a Justice of the Peace for every such surplus Passenger or surplus Candy weight of Cargo.

VIII. And it is hereby enacted, that no Boat or Catamaran so licensed shall leave the shore before Gun Fire in the Morning nor after five o'clock in the Afternoon, nor shall remain alongside any Ship or Vessel after 6 o'clock in the Afternoon without leave from the Master Attendant or his Deputy, who shall be at liberty to prevent any Boat or Catamaran from putting off to or from the shore when in his judgment the doing so would be attended with danger, on which occasions the Master Attendant shall hoist at the mast head of his Flag-staff the following Flags, viz.: The

white pendant with a red ball under a red and white chequered flag; and in case any person offend against this Clause he shall be liable on conviction before a Justice of the Peace to forfeit and pay a sum not greater than 30 Rupees.

IX. And it is hereby enacted, that on the 15th day of December in every year the Owners of Boats and Catamarans which shall have been so Licensed and Registered as aforesaid shall expose them and their Crews on the Beach for the inspection of the Marine Board, and the Master Attendant shall once in every month or oftener, and as often as he may think necessary, require the Owner of the said Boats and Catamarans, or any one or more of them to expose them and their Crews on the Beach for his inspection; and in case any Owner shall neglect or refuse so to expose a Boat or Catamaran belonging to him, and in case, on any Boat or Catamaran being so exposed the Master Attendant shall deem it unseaworthy, or that its Crew is in an inefficient state, he shall suspend the License granted in respect thereof until the said Boat or Catamaran shall have been repaired and the Crew rendered efficient to the satisfaction of the Master Attendant—and it is hereby declared, that in case the Owner of any such Boat or Catamaran shall refuse or neglect to make such necessary repairs to the same and to render efficient the Crew thereof, within one month after such inspection, the License shall altogether be withdrawn from such Boat.

X. And it is hereby enacted, that Grain shall be landed within the space between the north angle of the Custom House and Clive's Battery, and all other Goods, excepting Timber, shall be landed within the space between the north angle of the Custom House and the south angle of Bentinck's Buildings, and that Timber may be landed any where if the permission of the Collector of Sea Customs be first obtained, and if such permission shall not have been obtained it shall be landed within the space between the north angle of the Custom House and Clive's Battery, and in case any person shall land or be engaged in attempting to land any Goods otherwise than as before directed, every such person shall be liable to pay on conviction before a Justice of the Peace a sum not greater than 100 Rupees as that Justice of the Peace shall determine.

XII. And it is hereby enacted, that the Owner or Owners of all Boats and Catamarans kept for the purpose of being commonly let out for hire shall when the same shall not be engaged in doing actual service for hire, by themselves or their Agents give daily attendance at the Boat Office from 5 A. M. until 6 P. M. so as to be ready to provide upon immediate notice their Boats or Catamarans for service or hire, and that for any neglect in so giving attendance (unless occasioned by sufficient excuse) such Owners shall be punishable by a Justice of the Peace on conviction by a fine not exceeding 10 Rupees.

XIII. And it is hereby enacted, that if any Owner of a Boat or Catamaran so licensed, or any person deputed by him shall demand a rate of hire beyond that which is sanctioned by Schedule B. under the several circumstances and restrictions therein provided for, he shall on conviction before a Justice of the Peace forfeit the sum of 10 Rupees, together with the amount of such hire.
